But there was one altar which was dedicated to the 'Unknown God'.

The Christian Community was founded in Dornach, Switzerland in 1922 by a group of young theologians and Friedrich Rittelmeyer, a leading Lutheran pastor in Berlin, Germany, and with spiritual guidance from Rudolf Steiner. This Movement for Religious Renewal was established in Australia in Advent 1988. Priests have regularly visited SE Queensland for 25 years.

*The Christian Community in Queensland is most grateful that we can use the facilities for our activities during a priest visit to the Sunshine Coast. Many heartfelt thanks to Noosa Pengari Steiner School and to those people in the school who make this possible.*
